# SUPPORT THE 'NORTHERN SUBURBS'

Welcome to North Football & Netball Club. A community club committed to the growth of the North and those who work, live and love it.

Playing a vital role in the Northern Suburbs, the North Shore Football & Netball Club aims to increase the participation in sport, encourage physical activity, build community capacity and improve social connection for our residents and members.

Our commitment to our community is demonstrated best by the tireless efforts of our club volunteers, many of which are either past or current players.

Their passion and energy for their club & community supports many families to participate in football and netball activities when they may otherwise have been unable to.

Our close working relationships with the local schools and community organisations further displays our efforts to engage and assist those in our region.
